Hello! I'm your Student Mental Health Check Bot.
I'm here to help you reflect on how you're feeling today.
Please remember: I'm not a professional, but I can offer support and guidance.
-----
How are you feeling today?
1. Happy
2. Stressed
3. Sad
4. Anxious
5. Tired
Choose a number (1-5): 5

It sounds like you're feeling tired.
If possible, take some rest, drink water, or relax your mind for a few minutes.

Would you like some simple tips to help you feel better?
Type yes or no: yes

Here are a few suggestions that might help:
- Take short breaks while studying.
- Talk to someone you trust about how you're feeling.
- Try keeping a small to-do list.
- Make sure to rest when you need it.
- Ask for help whenever you feel overwhelmed.

Take care of yourself. You're doing your best, and that matters.
